NOTE: We expect good behavior from our club members. Charlestown is a working port so care must be taken especially around the harbour walls, edges, boats, fishing gear etc.

Charlestown harbour and many locations of Regattas and Events are not secure areas and it is parent's responsibility to supervise their children at all times while they are not in the boats during rowing, training and at events.

Declaration: Junior Rower: I wish to apply for Membership of Charlestown Rowing Club. I have read and understood the **CHARLESTOWN ROWING CLUB POLICIES, SAFETY CODES, CODE OF CONDUCT and HANDBOOK** and the **BRITISH ROWING 'ROWSAFE' HEALTH & SAFETY DIRECTORY** and I agree to abide by the Charlestown Rowing Club, CPGA and British Rowing rules.

I agree to wear a Lifejacket at all times when on the water.

1. HEALTH. Rowing is strenuous exercise sometimes undertaken in locations remote from immediate health care, and if you have any concerns (and particularly if your child has any of the conditions listed below) you **MUST** check with your GP before they participate in rowing or start becoming more physically active. Charlestown Rowing Club do not seek to record personal health data and will rely upon your declaration of your child's fitness to row and participate in other Club activities.

Applicants for Membership or renewal of Membership should refer to British Rowing 'Rowsafe' (and specifically Section 8, Health) for further information on health and rowing and guidance relating to illness and conditions including, but not limited to, the following;

- Cardiac Disease (including hypertension)
- Joint Injury or Illness
- Epilepsy
- Asthma
- Diabetes

2. SWIMMING ABILITY. All Junior Rowers must wear a Lifejacket at all times when on the water. British Rowing 'Rowsafe' also indicates that ideally, all rowers should also be able to swim
